

EMDR Roadmap Creation - nice road map images, background, animation?

- **Two options:**
 - AI-guided roadmap creation or
 - Book consultation with clinical psychologist, link to book then back to chatbot to fill in the information that will be provided by the clinical psychologist.
- **If AI then EMDR preparation chatbot** covering: (See code for content - needs designing maybe to a roadmap? press on signposts and fill in questions? - “emdr roadmap chatbot”)
 - Target emotion/pain to focus on (this chooses which emdr template)
 - Core beliefs to transform
 - Target memory/situation selection
 - Positive cognition development
 - Validity of Positive Cognition (VoC) rating
 - Subjective Units of Disturbance (SUDS) rating
- **Summary - saved to My Space - resources**
